Senator Rumery, for what purpose do you arise?

SENATOR RUMERY: Mr. President, point of personal privilege.

PRESIDENT: State your point Senator.

SENATOR RUMERY: I want to state to you, Mr. President and the members of the Legislature, that on April 19th, 1975 Doctor Roger Euhlinger of the University of Nebraska North Platte station presented a paper at the meetings of the Nebraska Academy of Science held on the campus of Wesleyan University, a paper concerning the accomplishments and the life of the late Senator Glenn Viehmeyer. I will have copies of this paper prepared for any of the Senators who would wish copies of it. It is a well prepared paper and documents all of the accomplishments of Senator Viehmeyer.

PRESIDENT: Thank you Senator. We have with us, in the North balcony, 25 junior and senior high students from Central Catholic High School of Grand Island. They're here visiting the Legislature today. They're from Senator Kelly's district. Welcome to the Nebraska Legislature. We're glad to have you.

We're ready for Final Reading. I request that everyone other than Senators leave the legislative floor. All Senators kindly take your chairs and remain in them. We have a relatively short Final Reading today, Senator Luedtke. Please keep your chairs. Mr. Clerk would you read on Final Reading LB 96 with the emergency clause attached.

CLERK: Read title.

(mic inactivated)

PRESIDENT: That completes bills on Final Reading. We go immediately to Select File. We commence with LB 414. Senator Dworak. Mr. Clerk.

SENATOR DWORAK: Mr. President, I move the adoption of the Enrollment and Review amendments to LB 414.
